

Greyton Brew Run 2019

On 24 August 2019 it is the annual Greyton Brew Run in support of Greyton House Village School. Vander-Merwe & Robertson Inc is again one of the sponsors of the 2019 Greyton Brew Run, hosted by The Old Potter's Inn and Brewhouse, who have generously donated their venue and their brew. The event is held in support of Greyton House Village School.

Herewith a note from the Principle:

Greyton House is an independent English medium primary school. With an emphasis on creativity and the promotion of country values, we offer small classes for our learners who are drawn from our diverse community. The school's professional orientation is learner centered and we embrace the opportunity to make full use of Greyton's beautiful and accessible natural environment.

Through nurturing a love for learning, our school's mission is to provide an essential foundation for lifelong learning that will enable its alumni to be confident, well informed, skilled, creative, adaptable and entrepreneurial adults. Through a well-balanced curriculum that includes practical approaches to science, mathematics and technology, literature-based literacy, creativity through visual art, drama and music, and age appropriate physical education, children experience *A Childhood to Remember*.

At Greyton House, several of our students are sponsored and receive bursary assistance to attend our school. We therefore hold several annual fundraisers, The Brew Run being one of our biggest. Your support will go a long way in providing a brighter future for these children and the community.

Should anyone feel that they would like to know more about our organised bursary scheme, please feel free to contact me. No donation is too small.

Yours in Learning
Marli Hoffman | Principal
